SLPS e-News June 16th 2017

We are fast approaching the end of a wonderful school year. The last few weeks of school are always a great opportunity to reflect on the learning and growth that has happened over the course of the school year. Our students have worked hard, approached many new challenges with a positive attitude, made new friends and learned a lot of new things. We are very proud of them! Staff are currently developing report cards to reflect the learning and progress in term 2. Students in Year 1 & Year 2 Kindergarten and grades 1-6 will receive a report card on June 27th. **Any report cards not sent home via students on June 27th will be available for pick up in the office June 28th-June 30th 2017 or when the office re-opens after the summer holidays on August 28th.**

June 2017 always brings goodbyes. We will be saying goodbye to our grade 6 students leaving for Intermediate school. We will also be saying goodbye to some staff. We wish all the best to Mme Macdonald who is embarking on a new experience at another school in the fall. We are also saying goodbye to Mrs. Ruyter who is retiring after a long career in education. We wish her all the best. Thank you to Mme Parsa, Mme Neufeld and Ms. Phillips for their many contributions to SLPS this year.

Our renovation work has started ! They are working to create new window space for our future office location.

SLPS E-News #38

This week @ SLPS

Over 80 Junior students took part in the track and field area regionals on Tuesday. Thank you to all the parent volunteers who helped to support the day long activity. Our students enjoyed the day and demonstrated great sportsmanship and school spirit.

The Drama Club has been working hard all year on their Alice in Wonderland play. The students involved will be presenting to their parents this afternoon and to students in the school next week. Bravo to the students who have participated and especially to our grade 6 student leader!

*THANK YOU to all the parents who provided treats for the SLPS staff today.
MERCI!*
