Thank you for a wonderful school year! Your ongoing parental engagement has truly helped us to support a good home school partnership and create a strong sense of school community. We will be sending a final school email newsletter on June 29th 2017 to all our Kinder- grade 5 families containing useful information about September 2017 and the first day of school procedures. Please also check the SLPS website for updates on September 1 2017.
