SLPS e-News June 9th 2017

Dear SLPS families, we thank you for all you do to encourage learning, for your ongoing support and continued involvement in the SLPS school community. A special MERCI to the many parent volunteers who work with students in classrooms, who participate in School Council, who help in the library, who make the pizza program possible, who help supervise on trips, who tie skates in the winter, who contribute to our fundraisers and to all who help make SLPS a great learning community!

We will be having another lockdown practice next Friday, **June 16th 2017**. Teachers are reviewing safety procedures with students, using age and grade appropriate language. As part of the practice, our School Resource Officer, Constable McCormack will be at the school to support us during this drill. **If you are picking up or dropping off your child during the school day on June 16th, please plan ahead as the drill will take place between 9 am and 10 am and the front door will be locked. The phones will not be answered during the drill.**

Looking Ahead
