SLPS Annual Family BBQ

Please join us on June 1st from 5pm-7pm for the SLPS School annual BBQ! It's a great chance to connect with your school community! Don't forget your lawn chairs & picnic blankets!

- Food for purchase from Grill Masters BBQ (halal options available);
- Little Ray's Reptiles;
- Junkyard Symphony Roving Recyclers;
- Jars, jars, jars!;
- Student Lemonade Stand in support of the Great Canadian Lemonade Standemonium for cancer care in our community

Volunteers are still needed for the SLPS BBQ on June 1! Just 30 minutes of your time would be a great help! Please sign up at <http://www.signupgenius.com/go/904094ca9ad2ca13-slps4>

Please donate Jars! Jars! Jars! Donations wanted for Family BBQ June 1. Please fill a clear small jar, container or bag with fun surprises (toys, trinkets, jewellery, stickers, nut-free candy, etc). The containers are then available for purchase at the BBQ. Filled containers can be dropped off at the school office. This is a popular event, so the more jars the better!

Community Information:

Ontario's 150th This summer, celebrate Ontario's 150th anniversary by planning a trip to Ontario's attractions with the 2017 Fun Pass. To help families celebrate this milestone, we are expanding the Fun Pass so that two children, not one, get free admission to [18 popular attractions](#) when accompanied by one paying adult or senior. Parents also save \$5 on a daily parking permit at most [Ontario provincial parks](#). Simply bring a coupon – found at Ontario.ca/funpass – to any participating attraction. Visit our website in June for more information about the Fun Pass program and to download the e-pass. http://www.mtc.gov.on.ca/en/agencies/fun_pass.shtml

uOttawa Camps in Kanata Are your children particularly interested in science, engineering or technology? Would they enjoy taking part in chemistry experiments, dissections, 3D printing or laser cutting activities? Do they like challenges? If so, don't miss your chance to register them for the Adventures in Engineering and Science summer camps offered by the University of Ottawa! Our bilingual EngTech and EngSci camps will be running in Kanata all summer long! For more information or to register, <http://engineering.uottawa.ca/outreach-programs/summer-programs-camps/engsci-camp-pembroke>, or send us an email at adventures@uottawa.ca. Join the Maker Movement!
